

THE C3 BI-WEEKLY

February 27, 2026

LIGHT IT GREEN FOR WORLD CHOLANGIOCARCINOMA DAY

Visit www.mychcc.ca/WCD to see photos from this year's event and past years too! There is also a link to upload your photos if you haven't already done so.

2026 WORLD CCA DAY WEBINAR ON YOUTUBE

You can watch recordings of the recent [World CCA Day Webinar](#) as well as previous C3 webinars on the C3 Youtube Channel.

A FIREFIGHTER, A POLICE OFFICER: A SHARED FIGHT FOR LIFE

Watch Jonathan Berthiaume & Dr. Simon Turcotte speak with [CTV News](#) about Jonathan's fundraising efforts in support of Dr. Turcotte's research and upcoming TIL trial.

FEBRUARY 28, 2026 IS RARE DISEASE DAY

Visit the [Canadian Organization for Rare Diseases \(CORD\)](#) website for information on landmarks lighting up for awareness and downloadable social media content.

CHCC WEBINAR THURS MAR 5, 2026 8:00PM EST

Cholangio-Hepatocellular Carcinoma Canada will be hosting Dr. Brenden Meyers for a webinar titled [Hepatocellular Cancer: Treatment landscape from early to advanced disease](#).

CAPO WEBINAR WED MAR 18, 2026 12:00PM EST

From Persistence to Policy: Breaking Barriers in Rare Cancers Care has been rescheduled to March 18. Click the [LINK](#) to register.

PETITION: EQUITABLE ACCESS FOR MOLECULAR TESTING

Whether you are a patient, caregiver, clinician, or ally, your signature matters. Signing [this petition](#) will help ensure molecular testing is treated as essential care, not a privilege, for Canadians with biliary tract cancers.

MEETINGS/SUPPORT GROUPS

Please visit [CHCC's Calendar of Sessions](#) for a listing of support groups, advocacy meetings and local meetups. For Peer to Peer support, please check out CHCC's [Mentorship Program](#).
